. . . last but not least I'm so thankful to you and Kathy . . . you brought me to a wonderful home where everyone cared and loved everyone. You practically saved my life . . . you have been kind and caring and I have had some of my happiest days of my life here. The staff here is wonderful and I congratulate you for getting such nice people. Thank you forever for the love and care you have given me."

Resident's family member

"The Carefree Living suites were just what we were looking for. Mom could stay here in town and while she doesn't need much help, she gets the best possible when she does. She loves it here and now we don't worry so much about her."
